

GLORIOUS

Lyrics

VERSE

Come like the rain
I'm not afraid
You give me strength
Standing strong

And all the earth will see
That you made the heavens and earth
And all that's within

CHORUS

Glorious you are
in everything you reign
And all the earth will proclaim
That you are alive

BRIDGE

Your love surrounds me in every season
You calm the seas
Never failing love you are
Hallelujah, glorified
