

HOLY Lyrics

VERSE 1

You provide us with everything we need
Your healing overflows
Where you are, fear has to move
In you, we have been set free

CHORUS

Holy
You are Holy
And worthy of all my praise
Mighty one
You are King of all
And forever you will reign

VERSE 2

In the chaos you bring rest
Your glory overflows
When You speak, darkness must flee
Cause our God, our Savior, He lives

BRIDGE

Nothing in this world can stop you from reigning
Jesus, the power is yours
Forever we will keep on singing and praising
Our God, He never fails
