

# ONE PLACE

Lyrics

## VERSE

There's only one place where i am loved no matter what  
There's only one place where i can rest  
There's only one man, whom i give all my sorrows  
There's only one man, one friend

## CHORUS

I can lay down in His arms and look in His loving eyes  
See His hands with holes they carry me away  
from the darkness of this world  
He will take away my fear,  
His name is Jesus, Jesus

## BRIDGE

Jesus, Jesus, Jesus, Jesus
