

# PERFECT LOVE Lyrics

## VERSE 1

I commit myself to you my God.  
For by Your grace, Your mercy,  
You make my plans succeed.

Lead me on your path, I will follow you.  
And tell of all Your wonders,  
and all of Your great deeds.

## CHORUS

I want to walk in the light of your presence.  
The one true light that fades the darkness.  
I want to taste the bliss of your love,  
Your perfect love.

## VERSE 2

Your majesty and glory revealed,  
let all creation listen to this tale.  
Your righteousness is boundless,  
Your endless love will never fail.

## VERSE 3

Thank you Jesus, your unfailing love  
and faithfulness reach to the clouds  
My soul finds comfort in Your hands,  
and saving power when you reach them out.
