

# REVEAL YOUR KINGDOM Lyrics

## VERSE 1

Love looks like something, it looks like the kingdom  
It brings joy and life  
Love looks like something, it looks like heaven  
It brings hope and a smile

## PRE-CHORUS

The world is waiting for this encounter  
This hidden beauty inside us  
The world is waiting for this encounter  
The power that Jesus gives us

## CHORUS

Reveal your kingdom into all lives  
Release your power upon the one who needs  
Rain down your faith in our hearts  
And let us walk and talk like you Jesus

## VERSE 2

Love looks like something, it looks like the kingdom  
It overcomes fear and pain  
Love looks like something, it looks like heaven  
It overcomes sickness and death

## BRIDGE

Jesus You're our refuge  
Jesus our defender  
Jesus You have set us free  
To go and look like love

Jesus You're our saviour  
Jesus Your our healer  
Jesus You have set us free  
to go and look like love
